# Proponent Initiatives Affecting TASS

- MI TATS-C Transformation 2 year POI to 1 year
- Pilot courses (96B, 96R, 97B, 97E) for validation of TATS-C Transformation POI beginning in OCT '02 at Region E (2/84<sup>th</sup> TASS (MI) Battalion)
- Proponent standardization of all POI to include use of TRADOC Commanders guidance on non-resident training at TASS units (distance learning, adult learning model, etc.)

# **Road Ahead for MI TATS POI**

- 1. Provide CADs to TRADOC to get the pilot courses entered into ATRRS.**
- 2. Rewrite POIs using newly approved POI format.**
- 3. Brief Proponent Leadership and POI committee chiefs, on content and validity of proposed courses. Highlight analysis that led to significant reduction in course hours and revisions to more adequately train all critical tasks. Include timeline that shows completion schedule for all training materials to meet the requirements of the pilots.**
- 4. Decision brief to Intel Center Deputy Commander on new courses designed specifically for RECLASS soldiers and the proposal to run the pilots.**
- 5. Obtain written concurrence from the NGB, USARC TASS Bns to participate in the pilots.**
- 6. Design and implement validation plan for subject matter content of each pilot POI.**
- 7. Design and implement evaluation plan for each of the pilot POI.**
